

WAM theatre THE SUFFRAGE PROJECT

A CALL TO ART!

Create your own art on the
theme of Suffrage/Citizenship

**POETRY • MUSIC • PAINTING • PHOTOGRAPHY • MONOLOGUE
COLLAGE • DANCE • MIME • POETRY • VIDEO ART • PERSONAL NARRATIVE**

This year marks 100 years since the passage of the 19th Amendment extended the right to vote to women across the United States. While we mark this anniversary, we also amplify the complex history of politics, power, and marginalized groups in this country who are still fighting for full and unwavering citizenship, including people of color and migrant peoples.

IN THIS ELECTION YEAR, WHAT DO YOU WANT TO EXPRESS THROUGH YOUR ART?

Some prompts to consider when creating your art (if you like):

Do you remember the first time you voted (for anything)?

How would you describe your political voice?

Have you been able to vote for a candidate that looked like you
or was from the same background?

Have your allegiances ever been split?

When and where have you felt most able to influence change?

When and where have you felt least able to?

What empowers you most politically?

What does political change mean to you and how has that
manifested in your life?

OK! I MADE SOMETHING! WHAT SHALL I DO NOW??

Post it on your social media with #WAMsuffrage @wamtheatre
